REPORT ON INVESTMENTS – November 2021

1. INTERIM DEPOSITS

In accordance with *Ohio Revised Code* Section 135.14, funds that become available periodically throughout the fiscal year are invested in short-term investments known as interim deposits. The investments are in securities that provide the highest interest rate consistent with the highest degree of safety. Other balances are invested in US Treasury issues, agency issues, municipal bonds, commercial paper, and negotiable certificates of deposit as managed by Meeder Investment Management, STAR Ohio, Government Insured Deposit Program (replaced the STAR Plus program), and a federal money market fund.

Following is a description of interim deposit earnings for the period November 1, 2021 through November 30, 2021.
