Dear Felton:

On behalf of the Board of Directors, members, and staff of the Ohio Library Council, I would like to express my appreciation for the involvement of Shayna Muckerheide as a member of the Local Arrangements Committee for the 2016 OLC Convention and Expo.

Shayna's dedication and contributions to the Convention and Expo were greatly appreciated and exemplify how the members of the OLC help fulfill the organization's mission. The success that the OLC has enjoyed is due in large part to her involvement.

I recognize the value of the library's support of the OLC's endeavors, and truly appreciate Shayna's commitment to her professional organization.

Sincerely,

Douglas S. Evans, CAE
Executive Director
