

Dear Mr. Thomas,

Hello! I'm Lila Gibson. I just visited The Book box at Edgewater and I think it was AWESOME. The librarians there were super nice and helpful. The seed bombs are awesome, too. I like that they are helping the monarch butterflies. I also LOVE that you can go in barefoot! It was an awesome idea. I think that you should build more and put them around Cleveland. I love to read and swim so the Book box is perfect for me!

Sincerely,
Lila Gibson
