Re: Classis Football Game

We, the members of Imani Temple Ministries, wish to extend our heartfelt thanks to the above named staff members of the Cleveland Public Library for giving us tickets to the Classic Football Game. We reached out to Mr. Joe Reccord, President of the Muny Football league that allowed our children and participants from Fatima Church to have an out of box experience. Thank you for our continuous partnership and all you and the staff do for the Greater Community.

Sincerely,

Rev. Rodney S Thomas, Pastor
