Dear Dr. Winlock,

Just a line to thank you for allowing members of our congregation to receive the 6 tickets for the 2021 Black Hall of Fame Classic in Canton, Ohio. This was extremely helpful for us to introduce the HBCU culture to some High School and Middle School students.

Words do not adequately express our sincere gratitude. Thank you very much.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jerry Pimm", with a large, stylized flourish extending to the right.
