Dear Mr. Thomas:

It has been another wonderful year of collaboration with the mobile unit at Sunbeam School. Both students and staff look forward to a visit from the library's mobile unit every three weeks. Students choose magazines regularly, as well as books for pleasure reading and research. Many of our students get new and replacement library cards each year. And our staff reserve and borrow materials for both teaching and personal enjoyment.

Linda Sperry and the rest of the van's staff are always helpful and pleasant. They locate resources, provide new and replacement library cards, and invite our students to participate in library programs such as Winter Reading. We are always happy to see them arrive.

We are grateful for this past year and look forward to another great year. Thank you for making Sunbeam a regular stop on the mobile unit's schedule.

Sincerely,

Charlene A. Reed-Mundell
Librarian
