Dear Mr. Thomas,

On behalf of the National Association of Professional Organizers® (NAPO), I am pleased to inform you that **CLEVNET** was nominated for the 2010 NAPO Organizing Excellence Award. The purpose of this Award is to recognize a local individual or group that has demonstrated outstanding values and achieved measurable results through their organizational practices and efforts. This Award is presented not only because of achievement, but because the results are tied directly to demonstrating their organizing capabilities.

Although you were not selected as the final recipient of this year's Award, we believe that your nomination, based on the above-mentioned criteria, is an obvious reflection of your hard work, dedication, and contribution to others. Please be advised that your name will be included in a local media press release so to honor your nomination and significant contributions.

Please accept our congratulations on your many achievements and for the remarkable support you offer your community through your many leadership programs. We wish you the best of luck and continued success in all your future endeavors.

Best regards,

Sheila Delson, CPO-CD®
